

Member organizations in the CJFD include the East Corning Volunteer Fire Dept, Inc and the South Corning Area Fire Department, Inc. Recently, members of both organizations approved a resolution to merge under one organizational structure to improve administrative efficiency and reduce costs. The merged organization would then be renamed the “Corning Area Volunteer Fire Company, Inc. “. This merger would not have any impact on emergency response activities from CJFD’s East and South Corning fire stations. On April 1st, CJFD will hold a Public Hearing to explain this planned change to residents of the fire district and hear their comments. The hearing will be held at the East Corning fire station, 11873 East Corning Road, Corning at 5:30pm.
